Facilitating With Ease Ingrid Bens 39.pdf The author, Ingrid Bens, gives 13 easy-to-follow strategies for the effective facilitation of meetings. You will learn how to help groups collaborate by (1) introducing a theme and goal for the meeting (2) creating a structure to ensure group participation (3) encouraging group interaction (4) determining the decision you want the group to make (5) making a decision (6) persuading others to your decision (7) dealing with “difficulties” in the process (8).

Bens, Ingrid. Facilitating With Ease Ingrid Bens 39.pdf Facilitating With Ease Ingrid Bens 39.pdf Facilitating With Ease Ingrid Bens 39.pdf Reviews “One of the greatest benefits of the book is that it includes a continuum-of-care model for the facilitation process, which enables the facilitator to blend the theory of action with that of the practice of facilitation.” - Michael Mertens, M.D., E, C.S.C., E.C.E., F.C.P.H., F.N.S., F.C.S.P.H., F.C.S.C.P.A.C., C.C.S.D. of the Harley Race Health Center “A veteran of innumerable inter-disciplinary meetings and facilitations, Ingrid Bens provides evidence-based recommendations and her personal stories and insightful, practical commentary help to bring these ideas home. She is, for me, a real ‘walking Wikipedia.’” - M. Beth Henneman, PsyD., President, ABIPP (Association of Behavior Analysis International® Professional Practice.) “This book provides clear and practical guidance for facilitating the work of others, with key themes like ‘getting out of the way’ to ‘checking in.’ It is a must-read for anyone who works with others.” - Professor Michael D. Powell, M.D., FACSM, Department of Family Medicine, University of South Carolina. “This book contains insightful information to help you facilitate meetings with both decision-making and engaging content. It will change your life and the meetings you facilitate.” - author and motivational speaker, David Allen, author of Getting Things Done 2d92ce491b
