It is a "modern day" retelling of The Red Death. It is a terrible and mysterious plague that reduces its victims to a state of insensibility in a matter of hours, and is not unlike the Black Plague of the Middle Ages. Its impact was felt on every continent. -The Epilogue ends with the narrator telling about "a dark and blood-stained epoch" that gave way to the next plague, the Black Death, a larger and more deadly plague that struck England and Europe again. . . . "And just as before, one man's heroism saved the lives of many. You are that man." In-app purchases "Entertaining twists and turns" The leader of the Red Death, Edgar Allan Poe, claimed that the game was "intended to challenge the reader to determine his own ending" in the original publication. In December 2010, 1UP.com stated that some of the "increasingly obtuse" puzzles have been simplified. They believed that the game's in-game ads for more puzzles were "baffling" and noted that the advertising also contained the cryptic message "You are that man."
